

Dear Royal South Street Competitor,

Re: Timetable change at Royal South Street Society Calisthenics Competition

Royal South Street Society (RSSS), the Victorian Calisthenics Coaches Association (VCCA) and Calisthenics Victoria Incorporated (CVI), are committed to the ongoing improvement of Calisthenics and have worked collaboratively to find a solution to the current educational timetabling problem affecting Victorian Intermediates and Seniors at Royal South Street, Ballarat.

The current competition schedule means Victorian Intermediate and Senior teams compete during compulsory VCE and University exams, forcing individuals to withdraw, impacting on team performance, personal education and competition quality.

We consulted with coaches and adjudicators, and analysed membership data. As a result RSSS will implement the following timetable change from 2016 onwards.

RSSS Calisthenic Competition, Ballarat

Week 1	Intermediates
Week 2	Seniors
Week 3 and 4	Juniors and Sub-Juniors

The new schedule will support Victorian Intermediate and Senior teams during an important educational phase and allow greater participation at competition level. We aim to make our sport more family friendly and balanced, supporting greater participation and overcoming barriers to competition for all our competitors.

We recognise that this scheduling change will affect pre-booked accommodation but ask for your understanding around the reasons for change. RSSS are working with Tourism Ballarat and local accommodation providers to ensure the transition is as smooth as possible for everyone involved.
